Dear Shareholders,

5-3-1 Akasaka, Minato-ku, Tokyo

INPEX CORPORATION

Takayuki Ueda, Representative Director, President and CEO

Partial Amendments to the Notice and Materials of the Ordinary General Meeting of Shareholders

The Notice and Materials of the Ordinary General Meeting of Shareholders have been partially amended. We apologize for any inconvenience caused and inform you of the amendments as follows.

The following amendments are reflected in the Notice and Materials of the Ordinary General Meeting of Shareholders on our company website and the website containing materials for the General Meeting of Shareholders.

[Sections containing the amendments]

Page 56 of Business Report, 2. Investments

[Details of amendments] The amendments are underlined.

[Before amendment]

The Group's investments during the year ended December 31, 2024 totaled ¥319.5 billion. These investments include ¥62.7 billion in exploration expenditures, ¥248.4 billion in development investments for oil and natural gas production facilities and natural gas supply infrastructure, and ¥8.3 billion in other investments (including the five net-zero businesses).

[After amendment]

The Group's investments during the year ended December 31, 2024 totaled ¥410.6 billion. These investments include ¥62.7 billion in exploration expenditures, ¥339.5 billion in development investments for oil and natural gas production facilities and natural gas supply infrastructure, and ¥8.3 billion in other investments (including the five net-zero businesses).
