#### 2. Reason

Our basic policy is to implement a stable dividend policy while striving to continuously improve our corporate value and positioning the return of profits to shareholders as one of our key management priorities, taking into consideration the need to further strengthen our management structure and enhance the internal reserves necessary for active business development. As announced in the “Consolidated Financial Results for the Fiscal Year Ended March 31, 2025” published today, our business performance during this fiscal year has progressed smoothly, and our profit attributable to owners of parent for this fiscal year exceeded the most recent forecast. Therefore, we will increase the year-end dividend for this fiscal year by 0.50 yen from the most recent forecast to 9.50 yen per share.

As a result, the annual dividend for this fiscal year will be 16.50 yen per share (dividend payout ratio 20.0%), an increase of 5.50 yen from the previous year.

\* The breakdown of the annual dividends are as follows:

	Dividend per share (Yen)		
Record date	Second quarter-end	Fiscal year-end	Total
Actual results for the current fiscal year	¥7.00	¥9.50	¥16.50
Actual results for the previous fiscal year (Fiscal year ended March 31, 2024)	¥5.50	¥5.50	¥11.00
