2. Reason

We intend to return profit gained through business activities to shareholders. At the same time—while maintaining and strengthening our management foundation—we intend to appropriate profit for consolidated shareholders' equity in order to secure internal reserves for research and development, capital investment, development of human resources, and other investments reflecting a medium-to long-term viewpoint. At the same time, the Company aims to provide its shareholders with stable dividend payments on a continuing basis.

Based on this policy, the Company plans to issue a year-end dividend payment of ¥85 per share for fiscal 2024.
