Impact on Our Company Following ACSL Ltd.'s Special Investigation Committee

On July 1, 2025, ACSL Ltd., a business partner, announced a special investigation into inappropriate transactions involving its former representative director.

We want to assure our stakeholders that this issue will not affect our operations, as we were not involved in the transactions under scrutiny. Our drone technology development continues independently.

We apologize for any concerns this may cause, and we remain committed to advancing our inspection technology and services.

Thank you for your continued support.
