# YoY Change in Adjusted/Non-GAAP Operating Profit

( Billions of Yen )

# IT Services

## Domestic:

- Revenue increase led by a significant increase in orders in FY25/3 for the Public business
- OP increase due to cost improvement as well as revenue growth and profitability enhancement measures such as BluStellar

## International (DGDF):

- OP increased due to the reversal impact from restructuring expenses in FY25/3, despite a revenue decrease from KMD resulting from the termination of low profit businesses

# Cautionary Statement with Respect to Forward-Looking Statements

This material contains forward-looking statements regarding estimations, forecasts, targets and plans in relation to the results of operations, financial conditions and other overall management of the NEC Group (the "forward-looking statements"). The forward-looking statements are made based on information currently available to the Company and certain assumptions considered reasonable as of the date of this material. These determinations and assumptions are inherently subjective and uncertain. These forward-looking statements are not guarantees of future performance, and actual operating results may differ substantially due to a number of factors.

The factors that may influence the operating results include, but are not limited to, the following:

- occurrence of quality and safety problems concerning products and services;
- risks related to cybersecurity;
- difficulty attracting, hiring and retaining skilled personnel;
- failure to appropriately respond to human rights issues in the value chain, including employees;
- occurrence of serious misconduct such as bribery, fraudulent accounting, and violations of personal data protection laws and regulations;
- impact of climate change, natural disasters, and environmental issues;
- adverse changes in foreign currency exchange rates or interest rates, and other economic conditions;
- difficulty achieving acquisitions and business alliances;
- political and social environment in countries and regions in which the NEC Group operates;
- impact of technological innovation and risks related to Intellectual Property Rights;
- natural disasters, pandemics and other hazard risks; and
- occurrence of compliance issues related to violations of competition laws and export control laws.

The forward-looking statements contained in this material are based on information that the Company possesses as of the date hereof. New risks and uncertainties come up from time to time, and it is impossible for the Company to predict these events or how they may affect the NEC Group. The Company does not intend to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Note: In this presentation, the accounting periods of the fiscal years for March 31, 2024, 2025, and 2026 were referred to as FY24/3, FY25/3, and FY26/3, respectively. Any other fiscal years would be referred to similarly.
