1. Financial Results for Q1 FY2026

1) Highlights of Financial Results

Business Environment

Total leasing contracts in the industry remained flat Y/Y.

We need to continue to monitor future trends in the financing environment and bankruptcies.

Results in Key Business Units

In the Leasing Business, new transactions rose Y/Y due to the recording of assets for large-scale projects for government agencies and municipalities.

Both contracts executed and new transactions in the finance business decreased Y/Y.

<Leasing Business>

Contracts executed : 1.7% down

New transactions : 24.9% up

<Finance Business>

Contracts executed : 8.7% down

New transactions : 8.1% down

Business Performance

Although revenue and gross profit increased Y/Y due to the growth of the leasing business and other businesses, net income remained flat Y/Y due to decrease in reversal of allowance for doubtful accounts.

2) Business Environment

Total Leasing Contracts:

Total leasing contracts in the industry overall remained flat Y/Y and our mainstay Information and communication equipment leasing decreased by 0.5% Y/Y.

Bankruptcies:

Both total liabilities and number of bankruptcies decreased Y/Y.
