Notice regarding the submission of an amended securities report for the past fiscal year and corrections to the financial statements for the past fiscal year

AEON Financial Services Co., Ltd. (the "Company") has submitted an amended securities report and other documents to the Director-General of the Kanto Regional Financial Bureau on July 31, 2025, and has also corrected its financial results summary, as detailed below.

We would like to express our deepest apologies to our shareholders, investors, and all other relevant parties concerned for any inconvenience and concern this matter has caused.

1. Background and reasons for the amendments

As announced in the "Notice regarding the postponement of announcement of first quarter financial results for the fiscal year ending February 2026" on July 9, 2025, regarding Post and Telecommunication Finance Company Limited ("PTF"), a Vietnamese finance company in which the Company has completed the acquisition of an equity interest from Southeast Asia Commercial Joint Stock Bank ("SeABank"), the Company has postponed the announcement of the first quarter financial results for the fiscal year ending February 2026, which was scheduled for July 10, 2025, due to ongoing discussions with SeABank, the transferor, as well as the time required to formulate a business plan for Vietnam.

As stated in the "Notice of Agreement with Southeast Asia Commercial Joint Stock Bank" released today (July 31, 2025), after acquiring our stake, the Company confirmed that PTF had understated its allowance for doubtful accounts and has continued to discuss the matter with SeABank. As a result of the discussions, both parties have reached an agreement that SeABank will provide support for PTF's sales and other aspects in order for both companies to work together to grow PTF, and that PTF will sell a portion of its trade receivables.

In relation to this matter, the Company has determined that it is necessary to reevaluate PTF's assets and retroactively revise related accounting treatment for the past fiscal year, including additional allowance for doubtful account of JPY1.8 billion, and impairment of "goodwill," of JPY3.8 billion, being the recalculation of PTF's equity value in line with the review of the business plan.

Therefore, the Company has revised the consolidated financial statements and other documents contained in the securities reports that have already been submitted and re-submitted today those documents to the Director-General of the Kanto Regional Financial Bureau. Please be noted that the summary of financial results will also be corrected.

Regarding the first quarter of the fiscal year ending February 2026, the impact of this correction has been confirmed to be confined to the previous fiscal year, so there will be no impact on the results for the current fiscal year.

2. Subject of the amendments

(1) Securities Report

44th term (from March 1, 2024 to February 28, 2025)
