### **Notice of Organizational Changes and Personnel Transfers**

RENAISSANCE INCORPORATED hereby announces the following organizational and personnel changes resolved at a Board of Directors meeting held on August 8, 2025.

#### **Notice**

- 1 . Organizational Change Effective September 1, 2025 Based on our corporate philosophy of "a company for creating purpose in life (ikigai in Japanese)," our group is engaged in business activities with a view to realizing our long-term vision of "A health solution company that enriches the age of the 100-year life span."

On April 1, 2025, our management structure was shifted to the next generation with the change of president, and we merged with Sports Oasis Corporation. to start a new growth path. At the same time, the business environment surrounding our company has become increasingly severe, with increases in various costs, including utilities and personnel expenses, and an intensifying competitive environment.

Under these circumstances, we have decided to shift our organization to a divisional structure in order to speed up decision-making and the implementation of various measures.

- Renaming, Abolition and Reorganization of Divisions

- Sports Club Business Division will be renamed Sports Club Business Headquarter.
- Marketing Promotion Division and Facilities Development Division will be abolished.
- The following departments will be transferred to Sports Club Business Headquarter.  
Sports Club Business Planning Department, Product Development Department, Business Support Department, Communication Planning Department,  
Business Innovation Department, Business Development Department, Facilities Development Department, Overseas Business Development Department
- IT Promotion Diversion will be transferred to Management Division.
- Human Resources Department will be transferred to a department under the direct control of the President.

- New Departments
  - Sports Club Business Headquarter  
Sales Department. 4 and Sales Department. 5 will be newly established.
  - Healthcare Business Division  
Marketing Design Department will be newly established.
