## Announcement of Subsidiary Establishment

Mabuchi Motor Co., Ltd. (the "Company") hereby announces that it has established a subsidiary for the design and manufacturing of production equipment and molds, as outlined below.

### 1. Purpose of Establishment

The Company has consistently designed and developed its major production equipment and molds in-house since its founding. Its divisions of equipment and mold design and manufacturing have supported the Company's business expansion continuously and are its competitive advantages. Going forward, further enhancement of these capabilities will be essential to realize transformations such as product diversification based on the e-MOTO concept(※) and the synergies with subsidiaries integrated through M&A. In light of this background, the Company has decided to establish a subsidiary to accelerate development of the advantages.

(※) "e-MOTO" is a business concept that aims to provide solutions for the diverse motions desired by our customers and society in our business activities.

### 2. Overview of the Subsidiary

- (1) Company name: Mabuchi Motor Engineering Co., Ltd.
- (2) Address: 430 Matsuhidai Matsudo City, Chiba 270-2280, Japan
