#### 2. Revisions to year-end and annual dividend forecasts

	Dividend per share		
	2Q	Year-end	Total
Previous Forecast (Announced on August 4, 2025)		Yen	Yen
		120.00	240.00
Revised Forecast		160.00	320.00
Result of Current Fiscal Year	160.00		
(Reference) Actual Results for Year Ended March 31, 2025	90.00	150.00	240.00

#### 3. Reason

Under the Medium-Term Management Plan (T.RAD-2025), the Company’s policy for FY2025 is to return profits to shareholders, with a target DOE ratio of at least 3.3%.

As outlined in today’s announcement, “Revision of Full-Year Earnings Forecasts (Consolidated and Non-Consolidated),” the full-year earnings forecast is expected to exceed previous expectations. In light of this, the Company has resolved to increase both the interim and year-end dividend forecasts for the fiscal year ending March 31, 2026 by 40.00 yen per share from the previous forecast, to 160.00 yen per share. As a result, the forecasted annual dividend will be 320.00 yen per share, representing an increase of 80.00 yen per share compared with the dividend paid for the previous fiscal year.
