Notice Concerning Recording of Extraordinary Income (Gain on Sale of Investment Securities) and Revisions to Full-Year Financial Results Forecasts and Dividend Forecasts

CMK Corporation (the “Company”) hereby announces the recording of extraordinary income (gain on sale of investment securities) resulting from the sale of a portion of its investment securities held by the Company.

In light of the most recent operating trends, the Company has revised the financial results forecasts and per-share dividend forecasts for the fiscal year ending March 31, 2026, which were previously announced on May 13, 2025, as described below.

1. Recording of extraordinary income (gain on sale of investment securities)

(1) Reason for sale of investment securities

To improve asset efficiency and strengthen the Company’s financial position.

(2) Details of the sale of investment securities

Shares sold	Five listed stocks held by the Company
Sale period	From September 2025 to October 2025
Gain on sale of investment securities	1,592 million yen

(3) Future outlook

The above gains on the sale of investment securities will be recorded as extraordinary income in the Company’s standalone and consolidated financial results for the fiscal year ending March 31, 2026. The impact of this transaction has already been reflected in the full-year consolidated financial results forecasts for the fiscal year ending March 31, 2026, which is being announced today.

2. Revisions to full-year financial results forecasts

(1) Revisions to consolidated financial results forecasts for the current fiscal year (April 1, 2025 through March 31, 2026)

	Consolidated net sales	Consolidated operating profit	Consolidated ordinary profit	Profit attributable to owners of parent	Consolidated earnings per share
Previously announced forecasts (A)	(Million yen) 96,000	(Million yen) 4,000	(Million yen) 3,400	(Million yen) 2,000	(Yen) 28.07
Revised forecasts (B)	96,000	3,100	4,100	3,400	47.70
Change (B-A)	—	△900	700	1,400	
Change (%)	—	△22.5	20.6	70.0	
(Reference) Actual consolidated results for the previous fiscal year (Fiscal year ended March 31, 2025)	95,486	3,807	5,533	3,789	53.19

(2) Reason for revision

Profit attributable to owners of parent is expected to exceed the initial forecasts due to the aforementioned recording of extraordinary income (gain on sale of investment securities) and foreign exchange gains arising from fluctuations in foreign currency-denominated receivables and payables.

3. Revision to dividend forecasts

(1) Details of revision

(Yen)

	Annual dividends		
	Second quarter-end	Fiscal-year end	Total
Previous forecasts (Announced on May 13, 2025)		10.00	10.00
Revised forecasts		20.00	20.00
Actual results for the current fiscal year	0.00		
Actual results for the previous fiscal year (Fiscal year ended March 31, 2025)	0.00	20.00	20.00

(2) Reason for revision to dividend forecasts

The Company recognizes that returning profits to shareholders is one of its important policies, and its basic policy is to continue to implement stable dividends with a consolidated dividend payout ratio of about 30% while securing the internal reserves necessary for strengthening the management structure and future business development, taking into account business performance and financial conditions.

Based on this policy, we have revised our year-end dividend forecasts for the fiscal year ending March 31, 2026 from 10.00 yen per share to 20.00 yen per share as a result of comprehensive consideration of the current fiscal year's results and future business environment.

Note: The above forecasts are based on information currently available to the Company and certain assumptions that the Company deems reasonable, and actual results may differ significantly due to various factors such as currency fluctuations.
