Notice Regarding Major Shareholders

On November 11, 2025, the Company received the shareholders' register as of October 31, 2025 from Sumitomo Mitsui Trust Bank, Limited, the shareholder register administrator of the Company, and confirmed that The Master Trust Bank of Japan, Ltd. (Trust Account) satisfies the criteria of a major shareholder.

Although the Company has previously disclosed changes in the shareholding ratios of trust accounts held by asset management companies as changes in major shareholders and as changes in the largest shareholder who is a major shareholder, such shares are held in trust accounts maintained by the trustee for the benefit of beneficiaries, whose beneficial ownership is widely dispersed among numerous customers. Because the Company is not able to identify the respective substantial ownership ratios of such individual beneficiaries, the Company has determined that, going forward, shareholdings under such trust accounts will not be disclosed as changes in major shareholders or changes in the largest shareholder who is a major shareholder.
