#### 2. Reason for Dividend Payout

GMO Internet Group demonstrates a clear commitment toward returning value to shareholders through its dividend policy. Under the policy, the Company aims to return 50% of profits to shareholders. The Company's target dividend payout ratio is a minimum of 33% of profit attributable to owners of parent, while we will aim to allocate the remainder of the 50% of profit attributable to owners of parent to the acquisition of treasury stock after taking into consideration business results and financial condition, and taking a flexible approach in accordance with share price. We have also adopted a quarterly dividend system to enable prompt profit return to shareholders.

The company will pay a quarterly dividend of ¥9.5 per share for the current quarter (33.1% payout ratio). As for the next quarter, we intend to pay dividends in accordance with the Total Shareholder Returns Policy.
