Total amount of dividends	341 million yen	-	323 million yen
Effective date	November 28, 2025	-	November 29, 2024
Source of dividends	Retained earnings	-	Retained earnings

2. Reason

The Company considers the return of profits to shareholders to be one of the most important management issues. Our basic policy is to continuously and stably return profits as business performance improves, taking into account the strengthening of our management structure and the enhancement of internal reserves necessary for future business development.

Based on the above policy, the interim dividend for the fiscal year ending March 2026 has been set at ¥19 per share.
