Revision of Forecasts of Consolidated Financial Results for the Fiscal Year ending March 31, 2026

Sompo Holdings, Inc. (the "Company") announces that it has revised forecasts of consolidated financial results for the fiscal year ending March 31, 2026, disclosed on May 20, 2025, as detailed below.

1. Revised forecasts of consolidated financial results for the fiscal year ending March 31, 2026 (April 1, 2025 to March 31, 2026).

	Net income attributable to owners of parent	Basic earnings per share
Previous forecasts(Note)(A)	335.0 Billion yen	356.47 yen
Revised forecasts (B)	540.0 Billion yen	591.68 yen
Difference (B-A)	205.0 Billion yen	
Rate of change	61.2%	
(Reference) Actual results for the previous fiscal year	243.1 Billion yen	250.90 yen

(Note) The figures shown are those disclosed on May 20, 2025.

2. Main reasons for the revision

The main reasons for the upward revision of net income attributable to owners of parent are that unrealized gains on financial products are increasing due to fluctuations in financial markets, and insurance claims incurred due to natural disasters both in Japan and overseas are expected to be lower than the previous forecast.

(Note) The above forecasts are based on available information as of the date of this announcement, and the actual results may materially differ from these forecasts due to various factors in the future.
