2. Reason

We place primary emphasis on improving corporate value through earnings growth. While taking into account the internal reserve necessary for future investment to support sustained growth, our basic policy is to provide shareholders with stable and consistent returns by using retained earnings mainly through dividend payments. Based on a comprehensive review of internal reserve necessary for future business growth and financial condition, we plan to pay a dividend of 30.0 yen per share, representing an increase of 25.0 yen from the previous fiscal period. This is consistent with the most recent dividend forecast. The record date for which is October 31, 2025.
