Notice of Progress of Restructuring of European Subsidiaries and Recording of Extraordinary Losses

Sankyo Tateyama, Inc. (the “Company”) hereby announces the results of the rationalization measures, including personnel reductions, implemented at our consolidated subsidiaries ST Extruded Products Germany GmbH (hereinafter “Germany”) and ST Deutschland GmbH (hereinafter “Deutschland”), as disclosed in the “Notice of Restructuring of European Subsidiaries” dated April 3, 2025. Furthermore, as announced in the “(Modification of Disclosed Matter) Notice of Restructuring of European Subsidiaries” published on July 10, 2025, the Company hereby provides the following progress report on the partial sale of land and buildings at the Bonn Plant of Germany, following the stoppage of internal machining and welding operations for rail components primarily produced there.

1. Results of Rationalization Measures Including Personnel Reduction

(1) Overview of Personnel Reduction

- ① Eligible Employees: Employees of Germany and Deutschland
- ② Number of Personnel Reduced: Approximately 100
- ③ Scheduled Termination Date: By the end of March 2026 (scheduled)
- ④ One-time Expense: Approximately 1,200 million yen

(2) Results of Implementation

Number of Personnel Reduced: 123

(3) Impact on Performance

In line with this progress, the Company recorded business restructuring expenses (including personnel reduction costs) of 1,184 million yen as extraordinary losses in the first half of the fiscal year ending May 31, 2026.

2. Progress on the Partial Sale of Land and Buildings at the Bonn Plant

Of the approximately 53,000 m² scheduled for sale, the transfer of approximately 17,000 m² was completed in October 2025. The transfer of the remaining land and buildings is scheduled to be completed by the end of March 2026.

3. Future Outlook

For the fiscal year ending May 31, 2026, the Company expects to record a gain on the partial sale of land and buildings of the Bonn Plant of approximately 1,900 million yen. The Company is currently implementing structural reform measures to improve profitability and is considering additional measures in light of the recent economic situation in Germany. The Company will promptly disclose any matters requiring disclosure in the future.
