Notice Regarding the Expected Recording of Gain on Sale of Investment Securities (Extraordinary Income)

The Company hereby announces that, at a meeting of its Board of Directors held today, it resolved to sell a portion of the investment securities held by the Company. As a result, the Company expects to record a gain on sale of investment securities as extraordinary income, as outlined below.

1. Reason for the Sale of Investment Securities

In the Medium-Term Management Plan FY2025–2027 disclosed on April 28, 2025, the Company set forth its policy regarding specified investment shares, stating that it aims to reduce the ratio of such holdings to less than 20% of net assets during the period of the medium-term management plan.

The sale described herein is conducted in accordance with this policy.

2. Details of the Sale of Investment Securities (Expected)

- (1) Investment securities to be sold: One issue of listed equity securities held by the Company
- (2) Timing of recognition of the gain: Fourth quarter of the fiscal year ending March 31, 2026
- (3) Gain on sale of investment securities: ¥300 million

The above amount is an estimate calculated based on the stock price as of today and may fluctuate depending on future movements in stock prices and other factors.

3. Future Outlook

The gain on sale of investment securities is already reflected in the full-year earnings forecast for the fiscal year ending March 31, 2026, which was announced on January 26, 2026.
