No items to report

(Segment Information)

1) Outline of reportable segments

The Group's reportable segments are components of the Group for which separate financial information is available and regular evaluation by the Board of Directors is being performed in order to make decisions about resources to be allocated and assess its performance.

In the 1st quarter for the current fiscal year, the allocation method for group expenses has been changed to appropriately reflect the business results of each reportable segment.

Segment information for the previous fiscal year is disclosed based on the new calculation method.

The Group employs holding company system of eight operating companies in Japan and four overseas business regions as strategy platforms, and the reportable segments consist of "NISSIN FOOD PRODUCTS", "MYOJO FOODS", "Chilled / Frozen foods and beverages", "Confectionery / Snack", "The Americas" and "China". The segments of "NISSIN FOOD PRODUCTS", "MYOJO FOODS", "The Americas" and "China" are mainly operating the business of manufacturing and selling cup- and bag-type noodles. The "Chilled / Frozen foods and beverages" segment is operating the business of manufacturing and selling chilled and frozen foods and beverages. "Confectionery / Snack" segment is operating the business of manufacturing and selling confectionery and snack.

2) Segment profit and performance

The accounting methods of reportable business segments are generally the same as the accounting policies applied for the consolidated financial statements for the previous fiscal year.

Figures reported as segment profit are based on the operating profit reported in the condensed quarterly consolidated statements of income. Revenue from intersegment transactions and transfers are based on the current market prices.
