**For the Third Quarter of the Fiscal Year Ending March 31, 2026**

# 1. Overview of Consolidated Business Results, etc. for the Quarterly Period

## (1) Overview of Consolidated Business Results

(Global Sales)

Global sales volume for the first nine months of the fiscal year ending March 31, 2026 was 920 thousand units, down 4.8% year on year. This decline was due to a reduction in sales volume in the U.S. market, where production of the Mazda CX-30 in Mexico was curtailed due to high tariff burdens, and the impact of the Mazda CX-5 being in a model transition period in the European market, among other factors.
