(Reference) Results for the Fiscal Year Ended 3/2025	20.00	33.00	53.00

2. Reasons for Revisions to the Year-end Dividend Forecast

The Company considers distributing earnings to shareholders to be one of the Sanrio Group's highest priorities. The profit attributable to owners of parent was 43.6 billion yen for the first nine months, which exceeded our plan, and is now expected to amount to 52.0 billion yen for the full year. Following the upward revision to our earnings forecast, the year-end dividend will be 35 yen per share, up 4 yen from the previous forecast of 31 yen per share.

This will bring the total annual dividend to 66 yen per share, a 4 yen increase from the previous forecast of 62 yen per share.

The above forecasts are based on the information available to the Company at this point and on certain assumptions deemed reasonable, and are not a guarantee that such results will be achieved. Actual results may differ significantly due to a variety of factors.
