### **Notice of Cyber Incident at Consolidated Subsidiary**

We hereby announce that we have identified a cyber incident limited to servers belonging to our consolidated subsidiary, Sakata America Holding Company, Inc. in the United States. We are actively investigating the incident, and currently recognize that there is no direct relationship between the unauthorized access to our company that occurred last November and the current incident because of differences in intrusion pathways. We sincerely apologize for any concern or inconvenience this may have caused to all affected parties.

#### **1. How the unauthorized access was discovered.**

On January 21, 2026, we detected unauthorized access to Sakata America Holding Company, Inc.'s servers, and following our subsequent investigation, we recently determined that some information may have been accessed or taken by an unauthorized party. We are currently working with appropriate law enforcement agencies in the United States.

#### **2. Current Status and Future Responses**

We are actively working with an external security specialist firm to analyze the situation and investigate the route and signs of unauthorized access. At this time, no damage leading to business suspension has been confirmed, and there has been no significant impact on normal operations. Furthermore, no impact on our company or other domestic and international group companies has been confirmed.

#### **3. Impact on the Business Performance**

We currently expect the impact of this incident on our consolidated business results for fiscal year 2026 to be minor. However, should the need for disclosure become necessary in the future, we will promptly disclose relevant information.

#### **[Contact for Inquiries]**

If you have any questions regarding this matter, please contact Corporate Communications Department.
