Notice Regarding the Management Briefing  
Following the 20th Ordinary General Meeting of Shareholders

PeptiDream previously announced in the Notice of Convocation of the 20th Ordinary General Meeting of Shareholders that a management briefing session (the “Briefing”) would be held at the same venue following the conclusion of the Ordinary General Meeting of Shareholders. However, with the aim of further enhancing shareholders’ understanding of the Company, PeptiDream has decided to incorporate the content that was scheduled to be presented at the Briefing into the business report to be presented at the Ordinary General Meeting of Shareholders. Accordingly, the Company hereby informs shareholders of this change.

The materials presented will be published on the Company’s website.

As a result, PeptiDream plans to provide explanations regarding its management policies and future initiatives during the Ordinary General Meeting of Shareholders. The Company respectfully asks for the understanding of its shareholders.
