Notice Concerning the Financial Results of Himiko Co., Ltd.

WA, Inc. (the “Company”) hereby announces the financial results of Himiko Co., Ltd., our consolidated subsidiary, for the fiscal year ended January 2026.

1. Trend in Financial Results

	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026
	Millions of yen	Millions of yen	Millions of yen	Millions of yen	Millions of yen
Net sales	3,029	3,754	4,504	5,041	5,553
Ordinary profit	117	373	522	451	407
Profit	136	224	376	278	209

For the fiscal year ended January 2026, sales of seasonal products, such as summer sandals and winter boots, remained strong, and robust online sales contributed to an overall increase in revenue. On the other hand, cost of sales rose due to higher raw material prices, and selling, general and administrative expenses increased as a result of wage hikes, resulting in a decline in profitability.

As a result, net sales amounted to ¥5,553 million and net income totaled ¥209 million, representing a year-on-year increase in revenue but a decrease in profit.

2. External Evaluation

On February 26, 2026, Himiko Co., Ltd., a consolidated subsidiary of the Company, was awarded the “Best-Seller Award in the Shoes Category, Ladies’ Division” at the 2025 Department Store Buyers’ Awards hosted by Senken Shimbun Co., Ltd., marking the sixth consecutive year the Company has been receiving this recognition since fiscal 2020.

Guided by its mission of “supporting women’s empowerment from the feet up,” the Group will continue working together to further develop the HIMIKO brand and deliver even more appealing products and services to customers.
