2. Reason for the Dividend
The Company recognizes shareholder returns as one of its key management priorities, in addition to achieving sustainable growth and enhancing corporate value over the medium to long term.
With respect to dividends from retained earnings, the Company adopts the dividend payout ratio as a basic indicator, based on the principle of distributing profits earned through business activities to shareholders.
In determining the dividend amount, the Company aims for a consolidated payout ratio of 30%, while comprehensively considering factors such as internal reserves necessary for future business development, maintenance of financial soundness, and improvement of capital

efficiency.

For the fiscal year ended February 2026, the annual dividend per share is set at ¥12.00 (interim dividend: ¥6.00, year-end dividend: ¥6.00), as stated in the “Notice Regarding Dividend from Retained Earnings and Revision of Dividend Forecast” announced on October 3, 2025.
