Notice Concerning the Difference between Consolidated Financial Results and Previous Fiscal Year's Results regarding Ordinary Income

The Nanto Bank, Ltd. (the "Bank") hereby announces a difference between its consolidated financial results for the fiscal year ended March 31, 2026 (from April 1, 2025 to March 31, 2026) and the previous fiscal year's results regarding ordinary income.

1. Difference from the previous fiscal year's results regarding ordinary income

(1) Details of the Difference

Difference between full-year consolidated financial results and the previous fiscal year's results regarding ordinary income (from April 1, 2025 to March 31, 2026)

|                                    | Ordinary income<br>(consolidated) | Ordinary income<br>(non-consolidated) |
|------------------------------------|-----------------------------------|---------------------------------------|
| Previous fiscal year's results (A) | Million yen<br>103,085            | Million yen<br>89,359                 |
| Current fiscal year's results (B)  | 115,665                           | 101,157                               |
| Change (B - A)                     | 12,579                            | 11,798                                |
| Percentage change (%)              | 12.2%                             | 13.2%                                 |

(2) Reason for the Difference

The Bank's consolidated ordinary income increased by 10% or more year-on-year. This increase was mainly due to a rise in interest income including interest on loans and discounts.
