3. Number of Voting Rights (Number of Shares Held) and Percentage of Total Voting Rights Before and After the Change

	Number of Voting Rights (Number of Shares Held)	Percentage of Total Voting Rights	Rank Among Major Shareholders
Before Change (as of April 15, 2026)	12,173 units (1,217,300 shares)	7.63% *	—
After Change (as of April 20, 2026)	16,848 units (1,684,800 shares)	10.56% *	—

* (Notes)

1. The percentage of total voting rights has been calculated based on 159,550 total voting rights, derived from total issued shares of 17,610,800 (as of April 27, 2026), less treasury shares of 1,646,100 (as of April 27, 2026), and less shares constituting less than one unit of 9,700 (as of December 31, 2025), and then calculating total voting rights based on the resulting share count.

2. The percentage of total voting rights is rounded to two decimal places.

3. The above information is based on the Large-Scale Shareholding Report (Amendment Report) submitted by the shareholder concerned and does not represent confirmation by the Company of the actual number of shares beneficially owned in the name of such shareholder. Accordingly, the rank among major shareholders has not been stated.

4. Outlook

As this matter is based solely on the Large-Scale Shareholding Report (Amendment Report), there is nothing of particular note to report regarding the outlook.
