3. Reason

The Company regards the return of profits to shareholders as one of the top management priorities. Our basic dividend policy is to pay out dividends progressively, aiming for a dividend on equity (DOE, consolidated) of 6% and a payout ratio (consolidated) of 50% for the fiscal year ending March 2031. Based on this policy, our financial results for the fiscal year ended March 2026, the earnings forecast for the fiscal year ending March 2027, the business environment, and our financial position, we have decided to increase the year-end dividend by 2 yen per share to 26 yen and raise our annual dividend forecast for the fiscal year ending March 2027 by 6 yen per share to 56 yen.
