２．Reason

The Company recognizes the appropriate return of profits to shareholders as one of its key management priorities, and its basic policy is to maintain and continue stable dividends.

The Company had originally forecast the year-end dividend for the fiscal year ended March 31, 2026 of 60 yen per share in accordance with the basic policy. However, given that the consolidated results have exceeded the revised consolidated cumulative earnings forecast announced on February 6, 2026, the Company has decided to increase the dividend by 5.00 yen per share.

Consequently, the year-end dividend for the fiscal year ended March 31, 2026 has been 65.00 yen per share.

Going forward, the Company will continue to strive to enhance shareholder returns by comprehensively taking into account the balance between financial soundness, growth investments, and maintaining stable dividends.
