Position and Policy on Lowering Investment Units

1. Position on lowering investment units

The Company regards the lowering of investment units as an important measure for growing its investor base and revitalizing the stock market.

2. Policy on lowering investment units

The Company will carefully consider the lowering of investment units while comprehensively taking into account such factors as trends in the Company's stock price and overall stock market, changes in the Company's shareholders, effect on existing shareholders, and cost-effectiveness.

* This disclosure is made in accordance with Article 409 of the Securities Listing Regulations of the Tokyo Stock Exchange (Disclosure of Lowering Investment Units), as the investment unit of the Company's shares was 500,000 yen or more as of March 31, 2026.
