Notice Regarding Revision of Dividend Forecast (40th Anniversary Commemorative Dividend Increase)

Weathernews Inc. (the "Company") hereby announces that its Board of Directors, at a meeting held on May 18, 2026, resolved to revise the year-end dividend forecast for the 40th fiscal period as follows.

1. Reason for the Revision of Dividend Forecast

As stated in the "Notice Regarding Stock Split, Partial Amendment to the Articles of Incorporation Following Stock Split, and Revision of Dividend Forecast (40th Anniversary Commemorative Dividend)" published on December 26, 2025, the Company—marking the milestone of its 40th anniversary—intends to pay dividends with a target consolidated payout ratio of 100% (combining ordinary and commemorative dividends) to express gratitude to its shareholders for their long-standing support.
Upon a recent careful review of the consolidated earnings forecast for the 40th fiscal period, consolidated operating income, ordinary income, and profit attributable to owners of the parent are now expected to exceed the previously announced forecasts. Consequently, based on the aforementioned policy, the Company has revised the year-end dividend forecast from the previous estimate of 57.50 yen per share (ordinary dividend: 22.50 yen; commemorative dividend: 35.00 yen) to 62.50 yen per share (ordinary dividend: 22.50 yen; commemorative dividend: 40.00 yen), representing an increase of 5.00 yen.

2. Revision to the Dividend Forecast for the Fiscal Year Ending May 31, 2026

	Dividend per share (Annual)		
	End of Q2	Year-end	Total
Previous Forecast (Announced Apr 6, 2026)	-	57.50 yen (Ordinary: 22.50yen, Commemorative:35.00yen)	-
Revised Forecast (Ended May 2026)	-	62.50 yen (Ordinary: 22.50yen, Commemorative:40.00yen)	-
Current Actual (Ended May 2026)	45.00 yen	-	-
Previous Actual (Ended May 2025)	70.00 yen	35.00 yen	-

Notes:

1.The Company conducted a 2-for-1 stock split of its common stock effective December 1, 2024. The actual dividend amount prior to the split is shown for the end of the second quarter of the fiscal year ended May 2025, while the year-end dividend for the same period reflects the amount after the split. Total annual dividends are shown as "-" because a simple addition is not possible due to the stock split. On a pre-split basis, the year-end dividend for the fiscal year ended May 2025 would be 70 yen, with a total annual dividend of 140 yen.

2.The Company conducted a 2-for-1 stock split of its common stock effective March 1, 2026. The actual dividend amount prior to the split is shown for the end of the second quarter of the fiscal year ending May 2026. Total annual dividends are shown as "-" because a simple addition is not possible due to the split. On a pre-split basis, the year-end dividend for the fiscal year ending May 2026 would be 125 yen (ordinary: 45 yen; commemorative: 80 yen), with a total annual dividend of 170 yen.
