Further, if Mr. Tadashi Handa is elected as a Director, the Company plans to execute the liability limitation agreement with him on the same terms and conditions as the above liability limitation agreements executed with them.
- 3 Independence of candidates for Outside Director

The Company has submitted Ms. Toshie Ikenaga to the Tokyo Stock Exchange, Inc. as an independent director. The Company has judged that she is qualified as an independent director as no conditions exist that create a conflict of interest with general shareholders, such as her having been affiliated in the past with a major transaction partner of the Company.

Furthermore, although there are transactions for contracted security operations between the Company and Shiga Prefecture, where she served until 2018, Cabinet Office, where she served until 2020, Shimizu Corporation, where she is currently serving as Outside Audit & Supervisory Board Member, and National Hospital Organization, where she is currently serving as Director, the scales of these transactions were less than 2% of the Company's net sales for the most recent fiscal year.

Additionally, the Company has submitted Mr. Hiroyuki Morita as an independent director to the Tokyo Stock Exchange. The Company has judged that he is qualified as an independent director as no conditions exist that create a conflict of interest with general shareholders, such as him having been affiliated in the past with a major transaction partner of the Company.

Furthermore, although there are transactions for general property management and fire protection services between the Company and NS Solutions Corporation, where he served until June 2025, the scales of these transactions were less than 2% of the Company's net sales for the most recent fiscal year.

Additionally, the Company has submitted Ms. Risa Tanaka as an independent director to the Tokyo Stock Exchange.

The Company has judged that she is qualified as an independent director as no conditions exist that create a conflict of interest with general shareholders, such as her having been affiliated in the past with a major transaction partner of the Company.

Furthermore, although there are transactions for contracted security operations, etc. between the Company and Japan Post Co., Ltd., where she served until June 2022, and transactions for contracted security operations between the Company and Imuraya Group Co., Ltd and KOITO MANUFACTURING CO., LTD., where she is currently serving as Outside Director, and Metropolitan Expressway Co., Ltd., where she is currently serving as Outside Audit & Supervisory Board Member, the scales of these transactions were less than 2% of the Company's net sales for the most recent fiscal year.

As Mr. Tadashi Handa fulfils the requirements of an independent director as stipulated by the Tokyo Stock Exchange, the Company plans to submit him as an independent director to said exchange. The Company has judged that he is qualified as an independent director as no conditions exist that create a conflict of interest with general shareholders, such as him having been affiliated in the past with a major transaction partner of the Company.

Furthermore, although there are transactions for contracted security operations between the Company and Tokio Marine Holdings, Inc., where he served until June 2021, and Tokio Marine & Nichido Fire Insurance Co., Ltd., where he is currently serving as Audit & Supervisory Board Member (full time), the scales of these transactions were less than 2% of the Company's net sales for the most recent fiscal year.

Furthermore, Tokio Marine & Nichido Fire Insurance Co., Ltd., where he has served as Audit & Supervisory Board Member (full time) since June 2022 (scheduled to retire in June 2026), received a business improvement order based on the Insurance Business Act from the Financial Services Agency dated December 26, 2023, on the grounds that the regulator recognized conduct considered to be in violation of the Antimonopoly Act, inappropriate practice in light of the purpose of the said Act, along with underlying governance frameworks flaws, in relation to insurance premium adjustments with other insurers for non-life insurance contracts involving specific corporate policyholders, and received a cease and desist order and a surcharge payment order based on the Antimonopoly Act from the Japan Fair Trade Commission dated October 31, 2024, on the grounds that the said company was found to have committed violations of the said Act.

In addition, the said company received a business improvement order based on the Insurance Business Act from the Financial Services Agency dated March 24, 2025, on the grounds that the regulator recognized conduct suspected of violating the Act on the Protection of Personal Information and inappropriate practice in light of the purpose of the said Act, as well as conduct suspected of violating the Unfair Competition Prevention Act and inappropriate practice in light of the purpose of the said Act, along with underlying governance framework flaws.

Although he was not aware of the above cases in advance, he had regularly made recommendations from the perspective of strengthening governance and legal compliance at Board of Directors, Audit & Supervisory Board and so forth.

After the discovery of these facts, he has fulfilled the responsibilities of the position by expressing opinions on implementing measures to prevent recurrence and strengthening the internal control system.
