Activia Properties Inc. (“API”) announces that it decided to borrow funds (the “Borrowing”) today. Details are as follows:

I. Borrowings

1. Details of the borrowing

< Long-term borrowings >

Lender	Loan amount	Interest rate	Drawdown date (plan)	Due date (Note 1)	Borrowing and repayment methods, security, and guarantee
Sumitomo Mitsui Banking Corporation	6 billion yen	0.265% +Base rate (Note 2)	June 12, 2026	June 12, 2033	Borrowing based on a borrowing agreement with the lenders shown at left as the creditor, lump-sum repayment, unsecured, and unguaranteed

(Note 1) If the due date is a non-business day, it shall be the following business day. If such day falls in the following month, it shall be the immediately preceding business day.

(Note 2) The interest payment will be made on the last day of June 2026 and the last day of each month thereafter as well as on the due date of the principal. (If an interest payment date is a non-business day, it shall be the following business day. If such day falls in the following month, it shall be the immediately preceding business day.)

The base rate applicable to the calculation of the interest payable on an interest payment date is the JBA one-month Japanese Yen TIBOR as of a date two business days prior to the interest payment date immediately preceding each interest payment date. (For the first interest payment, it will be on the drawdown date.) However, if the base rate applicable to the calculation period doesn’t exist, the base rate will be the one corresponding to the period that will be calculated based on a method provided in the agreement. After this, API will not announce the interest rate decisions for the borrowing. For changes in the JBA Japanese Yen TIBOR, the base rate, please check the website of the JBA TIBOR Administration (<http://www.jbatibor.or.jp/english>).

(Note 3) The entire amount of the borrowing will be procured as a green loan (hereinafter referred to as “this Green Loan”). This Green Loan is based on the SMBC Sustainable Finance Framework (hereinafter referred to as “this Framework”) developed by Sumitomo Mitsui Banking Corporation, which has obtained a second opinion from the Japan Credit Rating Agency, Ltd (JCR). For details on this Framework, please refer to Sumitomo Mitsui Banking

Corporation's website (<https://www.smbc.co.jp/hojin/financing/sustainable/smbcfw/>).
