Approach and Policy Regarding the Reduction of the Investment Unit

1. Approach Regarding the Reduction of the Investment Unit

DISCO recognizes that reducing the investment unit is an effective way to revitalize the stock market by encouraging a wide range of investors, including individual investors, to participate in the market, while increasing the liquidity of its shares.

2. Policy Regarding the Reduction of the Investment Unit

DISCO will continue to carefully discuss the matter while comprehensively considering factors such as stock market trends, the price level and liquidity of its shares, shareholder composition, and consistency with its capital policy.

Note: As the investment unit of DISCO’s shares exceeded 500,000 yen as of March 31, 2026, this disclosure has been made pursuant to Article 409 of the Securities Listing Regulations of the Tokyo Stock Exchange, “Disclosure Concerning the Reduction of the Investment Unit.”
