Notice of Monthly Information for April 2026 and Non-Disclosure of Monthly Information for June 2026

This is to announce the monthly information for April 2026 as follows.

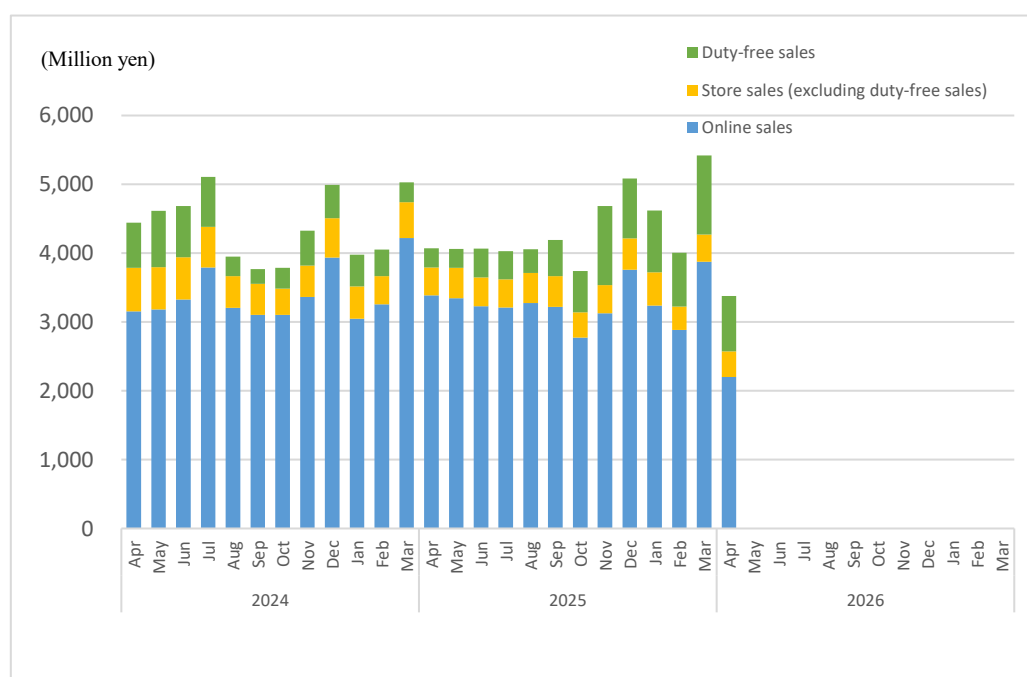

The Company has decided not to disclose monthly information for June 2026, as was the case for the monthly information for May 2026.

The Company is currently preparing its financial results announcement and will disclose it as scheduled.

	April 2026	YoY / MoM Change (Note 1)
Net Sales	3,379 million yen	82.9%
Online Sales	2,199 million yen	64.9%
Online Members	789,132	+2,811

In April, duty-free sales continued to perform steadily in both the core Camera Business and the Watch Business. On the other hand, following the replacement of the Company's core system on April 1, 2026, the Company's own EC site was suspended for approximately two days at the beginning of the system migration, and normal operations were restricted for approximately two weeks thereafter. In addition, the suspension of operations on certain domestic online marketplaces (Rakuten Ichiba and Yahoo! Shopping) resulted in a decrease in EC sales. As a result, total net sales were below the level of the previous year and remained weak.

The number of new Web members continued to grow steadily.
