Notice Regarding System Failures within the Nichirei Group (Follow-up report)

Nichirei Corporation (the "Company") hereby announces the following regarding the system failures caused by a cyberattack.

1. Cyberattack

The Company continues to investigate the incident with the assistance of an external cybersecurity firm. In addition, the Company is cooperating with the police and other relevant authorities. Accordingly, details of the cyberattack will not be disclosed at this time. Some of the affected servers contained personal information, and the Company has separately notified the individuals concerned.

2. Business Recovery

The Company is proceeding with the restoration of operations after implementing security measures in collaboration with an external cybersecurity firm. With respect to warehouse inbound/outbound operations and frozen food shipment operations, which were impacted by the system failures, all sites are expected to return to normal operations within this week.

The Company sincerely apologizes for any inconvenience caused to customers and other stakeholders.
