# Notice Regarding the Termination of Discussions on the Proposed Subscription to a Third-Party Allotment of Shares in Jiangxi Shinetech Precision Optical Co., Ltd.

RS Technologies Co., Ltd. ("RST") hereby announces that, at the meeting of its Board of Directors held today, it resolved to terminate discussions on the proposed subscription to a third-party allotment of shares in Jiangxi Shinetech Precision Optical Co., Ltd. ("Jiangxi Shinetech") and not to proceed with the proposed transaction, as described below.

## 1. Reason for the Termination of Discussions

As announced in RST's press release dated September 26, 2025, entitled " Notice Concerning Making Jiangxi Shinetech Precision Optical Co., Ltd. a Consolidated Subsidiary by Underwriting a Third-Party Allotment of New Shares," RST had been engaged in discussions to acquire a 51% equity interest in Jiangxi through its consolidated subsidiary, RS Precision Devices (Huizhou) Co., Ltd ("RSPDH"), by subscribing to a third-party allotment of shares issued by Jiangxi Shinetech.

Subsequently, taking into account the procedures related to the tax incentive program applicable to Jiangxi Shinetec, the parties agreed to further extend the subscription date while continuing discussions on the terms and conditions of the proposed transaction.

However, as the parties were ultimately unable to reach agreement on the final terms and conditions of the proposed transaction, the Board of Directors resolved at its meeting held today not to proceed with the transaction.

## 2. Future Plans

Although the proposed transaction will not be completed, RST is currently reviewing its future business strategy. Should any matters requiring disclosure arise, RST will promptly make the necessary announcement.

**3. Impact on Financial Results**

The termination of the proposed transaction is expected to have only a limited impact on RST's consolidated financial results for the fiscal year ending December 31, 2026.

Should any matters requiring disclosure arise in the future, RST will promptly make the necessary announcement.
