(Reasons for revisions)

In accordance with our policy to reduce our strategic equity holdings, we sold a portion of these holdings and recorded a gain on the sale of investment securities of 558 million yen as extraordinary income in our financial results for the first quarter of the fiscal year ending March 2027. As a result, profit attributable to owners of parent is expected to exceed our previous forecasts.

2. Regarding the year-end dividend forecast

The dividend forecast announced on May 7, 2026, will not be revised. We plan to pay an annual dividend of 102 yen. (Consolidated dividend payout ratio: 72.1%; equivalent to a DOE of 9.0%)
