

Epson Announces Share Repurchase
(Share repurchase under the provisions of Epson's Articles of Incorporation pursuant to article 165, paragraph 2 of the Companies Act of Japan)

- TOKYO, Japan, August 5, 2026 -

At a meeting of its board of directors held today, Seiko Epson Corporation (TSE: 6724, "Epson") resolved on a share repurchase (the "Share Repurchase") pursuant to Article 156 of the Companies Act of Japan as applied pursuant to Article 165, Paragraph 3 of the same act.

1. Share repurchase

(1) Purpose of the Share Repurchase

In Phase 1 of its Medium-Term Management Plan (FY2026–FY2028) for achieving its long-term vision, ENGINEERED FUTURE 2035, Epson seeks to drive growth and enhance capital efficiency through optimal, ROIC-based capital allocation while maintaining a sound financial position. Consistent with this and its policy of balancing growth investments and shareholder returns, Epson intends to repurchase treasury shares totaling ¥80 billion on a cumulative basis during the three-year Phase 1 period.

The Share Repurchase will be conducted in accordance with this policy.

(2) Details of the Share Repurchase

- a. Class of shares to be repurchased
Common shares
- b. Total number of shares to be repurchased
17,000,000 shares (maximum)
(5.31% of outstanding shares, excluding treasury shares)
- c. Total repurchase amount 30 billion yen (maximum)
- d. Repurchase period August 7, 2026, to March 31, 2027
- e. Repurchase method Purchase on the Tokyo Stock Exchange
(by securities company using discretionary method)

In addition, Epson plans to cancel all the newly acquired shares as part of this repurchase. We will disclose the number of shares to be cancelled after the acquisition is complete.

Reference: Status of treasury shares as of June 30, 2026

Number of outstanding shares (excluding treasury shares)	320,427,625 shares
--	--------------------

Number of treasury shares	53,145,527 shares
---------------------------	-------------------
