２． Reason

The Company recognizes the return of profits to shareholders as one of its key management priorities. With respect to dividends, the Company’s basic policy is to make dividend payments in line with its business performance, while also giving due consideration to the stable continuation of dividend payments, the strengthening of its corporate structure, and the enhancement of internal reserves to support proactive business development.

As stated in the” Consolidated Financial Results for the Fiscal Year Ended June 30, 2026 [Japanese GAAP]” announced today, the Company secured profit exceeding its plan for the fiscal year ended June 30, 2026.

Accordingly, in line with the basic policy described above, the Company has resolved to increase the year-end dividend by ¥10 per share, from the previously announced ¥155 per share to ¥165 per share.
