Yonex Co., Ltd. (the “Company”) hereby announces that unauthorized access by a third party has been identified at YONEX TAIWAN CO., LTD. (優乃克股份有限公司; the “Subsidiary”), the Company’s subsidiary in Taiwan, as outlined below. The Company has taken necessary measures to prevent the spread of damage and is working with external experts to investigate the cause and scope of impact. The Company sincerely apologizes for any concern and inconvenience caused to its customers, business partners and other stakeholders.

1. Background

On August 3, 2026, unauthorized access by a third party to certain servers at the Subsidiary was identified. The affected servers were immediately isolated and disconnected from networks, and the matter was promptly reported to the relevant authorities. With the support of external experts, the cause and scope of impact are currently under investigation.

2. Current Status

Certain business operations at the Subsidiary have been affected, and the Company continues to assess the scope of impact. Based on the information currently available, the Company has confirmed that the impact is isolated within the Subsidiary’s network environment.

The Company is continuing to investigate the possibility of external disclosures of information.

3. Impact on Business Results and Earnings Announcement

The impact of this matter on the Group’s business results is currently being assessed. The Company’s earnings announcement for the first quarter of the fiscal year ending March 31, 2027 is scheduled to be made as planned on August 10, 2026, and there is no impact on the earnings announcement at this time.

4. Future Response

The Company will continue to work with external experts and relevant authorities to identify the cause of the incident and determine the scope of impact. If any matter requiring disclosure is identified, the Company will announce it promptly.
