The Disposal of Treasury Shares will be conducted for the purpose of providing shares to the employees of the Company based on the Plan, and will be substantially the same as the allocation of shares to the employees of the Company as consideration for the provision of services to the Company.

2 . Purpose and Reason for the Disposal

The Company has introduced the Plan based on resolutions of the Board of Directors meetings held on February 12, 2014. (For an overview of the Plan, please refer to the Reference as follows

and “Notice Regarding the Introduction of Employee Stock Ownership Plan (J-ESOP)” dated February 12, 2014.)

In connection with the continuation of the Plan, the Company has now resolved to make an additional contribution of funds to the Trust (hereinafter the “Additional Trust”) so that the Trust may acquire shares expected to be necessary for future grants, and to dispose of treasury shares (the Disposal of Treasury Shares) to Custody Bank of Japan, Ltd. (Trust Account E), as the re-trustee re-entrusted by the trustee of the Trust, for the purpose of holding and disposing of the Company’s shares for the administration of the Plan.

The number of shares to be disposed of corresponds to the number of shares expected to be granted to the Company’s employees during the trust period in accordance with the Share Grant Regulations (covering six fiscal years from the fiscal year ending March 31, 2026 through the fiscal year ending March 31, 2031), and represents 0.39% of the total number of issued shares of 151,182,048 shares as of March 31, 2026 (0.41% of the total number of voting rights of 1,428,781 as of March 31, 2026) (both figures rounded to two decimal places). In light of the purpose of the Plan as described in the “Notice Concerning the Introduction of Employee Stock Ownership Plan (J-ESOP)” dated February 12, 2014, the Company has determined that the scale of dilution is reasonable. Since the Company conducted a 3-for-1 share split of its common shares on April 1, 2026, the above total number of issued shares and total number of voting rights are stated in consideration of the share split.
