**Notice Regarding Determination of the Head Office Relocation Date
and Expansion of the Yamato Technology Center**

Synspecive Inc. (the "Company") hereby announces that, at a meeting of its Board of Directors held on August 14, 2026, the Company resolved to determine the date of relocation of its head office and to expand the Yamato Technology Center, a manufacturing site for small SAR satellites, as described below.

1. Determination of Head Office Relocation Date

Date of Head Office Relocation	Sunday, November 1 st , 2026
New Head Office Location	38F, Harumi Island Triton Square Office Tower Y, 1-8-11 Harumi, Chuo-ku, Tokyo (Reference) Current Head Office Location: 3-10-3 Miyoshi, Koto-ku, Tokyo

As announced in the "Partial Amendments to Articles of Incorporation due to Relocation of Registered Head Office, Reduction in the Amount of Capital Reserve and Appropriation of Surplus" dated February 20, 2026, the Company proposed the "Partial Amendments to the Articles of Incorporation" at its 8th Annual General Meeting of Shareholders held on March 27, 2026, and obtained shareholder approval to amend Article 3 of the Articles of Incorporation to change the location of the head office from Koto-ku, Tokyo to Chuo-ku, Tokyo.

Following the resolution made today, the change in the location of the head office will become effective on November 1, 2026, the date of the head office relocation.

2. Expansion of the Yamato Technology Center

In anticipation of mid- to long-term demand expansion for SAR satellite data in Japan and overseas, the Company has decided to expand the Yamato Technology Center as outlined below to strengthen its manufacturing capabilities.

The expansion will secure sufficient space to enable the Company to scale its production capacity from its target of 12 satellites per year for the fiscal year ending December 2026 to a maximum of 30 satellites per year.

Facility Name	Yamato Technology Center
Location	Yamato City, Kanagawa Prefecture
Product	Small SAR satellites
Schedule	Official operation is scheduled to commence in the second half of 2027 Note: the schedule is subject to change depending on the progress of design and planning

3. Future Outlook

The impact of this matter on the Company's financial results for the fiscal year ending December 31, 2026, announced on February 13, 2026, is expected to be immaterial. The Company believes that this initiative will contribute to enhancing its corporate value over the medium to long term.

We will promptly inform you of any matters requiring disclosure that may arise in the future.
