Notice of Determination of Share Repurchase Price through ToSTNeT-3

Sanyo Shokai Ltd. (the “Company”) hereby announces that, further to the “Notice regarding Share Repurchase and Share Repurchase through ToSTNeT-3” released today, the repurchase price has been fixed at ¥1,688 per share following the determination of today's closing price.

Notes

(1)	Class of Shares to be repurchased	Common stock of the Company
(2)	Total number of shares to be repurchased	Up to 2,700,000 shares (9.2% of total number of issued shares (excluding treasury stock))
(3)	Aggregate repurchase price	Up to 4,557,600,000 yen
(4)	Announcement of repurchase results	After the completion of the trading session at 8:45 a.m. on 31 August 2026

(Note 1) No change shall be made to the number of shares specified above. However, depending on market conditions and other factors, part or all of the repurchase may not be executed.

(Note 2) The purchase will be executed against sell orders placed for the number of shares to be repurchased.

(Note 3) The percentage of total number of issued shares (excluding treasury stock) is calculated based on the total number of issued shares (10,197,034 shares) and shares held as treasury stock (401,690 shares) as of 31 July 2026, taking into account the share repurchase (52,600 shares) from 1 August 2026 to 24 August 2026 and the stock split scheduled to be implemented on 1 September 2026.
