■Overview of Monthly Performance for August

Sales revenue of our group for August 2026 reached 107.9% year-over-year, as both the Distributor Business and the Cash and Carry Business exceeded the previous year's performance.
The overview of each business segment is as follows:

[Distributor Business (DTB：commercial foods wholesaling)]
Sales to the domestic food service industry remained steady, supported by inbound demand. In addition, the newly consolidated company (Sankyo Shokucho Co., Ltd., consolidated in September of the previous fiscal year) also contributed to performance, resulting in 110.2% year-over-year.

[Cash and Carry Business (C&C：commercial foods cash wholesaling)]
Despite the impact of the temporary closure of the A-PRICE Yatsushiro store due to the "2026 Kumamoto Earthquake" that occurred on July 28, as well as the impact of one store closure, results reached 101.9% year-over-year, or 100.6% on a same-store basis.

[Food Solutions Business (FSL)]
Due in part to a decrease in project completions by construction-related companies compared to the same month of the previous year, results reached 95.0% year-over-year.

■Store Count as of the End of August

C&C Business: 95 stores (Year-over-Year Change: 3 new stores, 2 closed stores) *Including franchise stores
