(Correction) Notice Concerning Partial Correction of the August 2026 Monthly Domestic Sales Summary for fiscal year Jan. 1, 2026 through Dec. 31, 2026 (% YoY) and September 2026 Monthly Domestic Sales Summary for fiscal year Jan. 1, 2026 through Dec. 31, 2026 (% YoY)

The Company hereby announces that it has made partial corrections to the "August 2026 Monthly Domestic Sales Summary for fiscal year Jan. 1, 2026 through Dec. 31, 2026 (% YoY)," disclosed on September 4, 2026, for the reason set forth below, and also announces its September 2026 Monthly Domestic Sales Summary for fiscal year Jan. 1, 2026 through Dec. 31, 2026 (% YoY).

1. Reason for Correction

The Company has decided to exclude Zoff AEON MALL Kumamoto Store from existing stores from July 2026 onward. Accordingly, certain figures have been corrected.

2. Details of Correction

The Company hereby corrects the "August 2026 Monthly Domestic Sales Summary for fiscal year Jan. 1, 2026 through Dec. 31, 2026 (% YoY)" as set forth below. There are no corrections to the figures disclosed in the "July 2026 Monthly Domestic Sales Summary for fiscal year Jan. 1, 2026 through Dec. 31, 2026 (% YoY)."

(1) Zoff Business: August Same-Store Sales YoY

August 2026 (Before Correction)	August 2026 (After Correction)
▲ 7.1	▲ 6.7

(2) Monthly Performance Summary (Zoff Business)

Before Correction

During the month, we were unable to attract customer traffic sufficient to clear the high hurdle created by the success of the various promotional initiatives implemented in the previous year, and results were further affected by unfavorable weather. As a result, total store sales were ▲ 1.8% year-on-year while same-store sales were ▲ 7.1%. Even in this environment, however, sales of photochromic lenses remained strong, and our efforts to strengthen sales of high-value-added products are making steady progress.

After Correction

During the month, we were unable to attract customer traffic sufficient to clear the high hurdle created by the success of the various promotional initiatives implemented in the previous year, and results were further affected by unfavorable weather. As a result, total store sales were ▲ 1.8% year-on-year while same-store sales were ▲ 6.7%. Note 1: The figures above are based on preliminary figures for management accounting, and may differ from actual results.
Note 2: Existing stores are stores that were open in the same month of the previous year and the same month of the current year.
Note 3: In addition to the above, there are adjustments for EC sales, wholesale sales, revenue recognition standards, etc., so the change in sales on the income statement will not match the change in sales.
Note 4: In the Megane Super business, year-on-year sales figures for all stores and same-store sales are not currently used as key internal performance indicators. Therefore, only the number of store openings and closings is disclosed.

✓ Topics (Zoff Business)

During the month, although we implemented various campaigns as well as promotional initiatives during the Silver Week holidays, results were affected by prolonged unfavorable weather, including record-low sunshine hours, mainly in the Kanto region, and heavy rain brought by the autumn rain front and typhoons. As a result, total store sales rose 2.2% year-on-year, while same-store sales were ▲2.9%.

✓ Store Openings and Closings

Openings: Zoff AEON Ueda Shopping Center Store, Zoff SOYORA Sanjo Sugoro Store
Closings: -
