Notice Concerning Change in Principal Shareholder and Largest Shareholder as a Principal Shareholder

KLab Inc. (the "Company") has announced that there was a change in its principal shareholder who is also the largest shareholder.

Notes

1. Background for the change

ULTIMATE CLASSIC INVESTMENT LLC (hereinafter referred to as "UCI"), the entity involved in the recent change in status, became a principal shareholder and the largest principal shareholder of the Company on December 23, 2025 following the completion of payment for the third-party allotment of new shares and the 23rd Stock Acquisition Rights, as disclosed in the announcement dated December 5, 2025, titled "Notice Concerning Issuance of New Shares and 23rd Stock Acquisition Rights Through Third-Party Allotment and Change in Principal Shareholder and Largest Shareholder as a Principal Shareholder."

Subsequently, based on the Report of Possession of Large Volume (Report of Change) submitted by UCI on September 4, 2026, the Company confirmed that, as a result of UCI selling a portion of its shares in the Company, UCI ceased to qualify as a principal shareholder or the largest principal shareholder as of March 4, 2026.

This disclosure is being made now because UCI intermittently submitted Reports of Possession of Large Volume (Reports of Change) and Amendment Reports between September 4 and September 24, 2026, and verifying the accurate facts regarding their shareholding status required time.

The Company sincerely apologizes to its shareholders and investors for the delay in this disclosure.

2. Overview of the shareholder that changed

(Notes)

1. The percentage of total voting rights held by all shareholders prior to the change is calculated based on the total number of voting rights of all shareholders (761,626 voting rights) derived by subtracting the 669,600 shares without voting rights from the 76,832,200 total issued shares as of December 31, 2025. The ranking of major shareholders is based on the Company's estimates using the shareholder register as of December 31, 2025..
2. The percentage of total voting rights held by all shareholders following the change is calculated using a denominator (779,346 voting rights) of the total number of voting rights obtained by adding the 17,720 voting rights resulting from the exercise of Stock Acquisition Rights between January 1, 2026, and March 4, 2026, to the 761,626 voting rights existing as of December 31, 2025. The ranking of major shareholders is based on the Company's estimates using the shareholder register as of December 31, 2025.
3. Percentages to the total number of voting rights are rounded off to two decimal places.

4. Future outlook

This matter is based on the submission of a Report of Possession of Large Volume (Report of Change) and there are no particular matters to be stated regarding the future outlook.
