(Progress of Disclosed Matters) Notice Concerning Completion of Acquisition of Fixed Asset (Land)

With respect to the matter announced in the "Notice Concerning Acquisition of Fixed Asset (Land)" dated April 24, 2026, Chikaranomoto Holdings Co., Ltd. (the "Company") hereby announces that the acquisition of the fixed asset has been completed, as described below. Items changed from the previous disclosure are underlined.

Details

1. Reason for Acquisition

Guided by its corporate philosophy, "Keep changing to remain Unchanged," the Group operates in Japan and overseas with the aim of sharing Japanese food culture, centered on ramen, with the world. As of the end of the first quarter of the fiscal year ending March 2027, the Group operated 323 stores in 16 countries and regions. Its core competence is its "branding capability": the ability to combine, at a high level, the philosophy, people, products, store design and service it has cultivated through extensive experience opening stores overseas. To support further business expansion, the Group has acquired the fixed asset described below in order to build a new factory and strengthen its production and supply capabilities.

3. Overview of the Counterparty

At the request of the counterparty (a business corporation), the Company refrains from disclosing an overview of the counterparty and the acquisition price. The acquisition price is within 30% of consolidated net assets as of the end of the preceding fiscal year, which is the timely disclosure threshold for acquisitions of fixed assets set by Tokyo Stock Exchange, Inc. There are no capital, personnel or business relationships between the Company and the counterparty that require disclosure, and neither the counterparty nor any of its affiliated persons is a related party of the Company.

The Company plans to construct a combined factory and store on the property, with completion scheduled for April 2028 or later. Accordingly, the Company expects the impact on its business performance for the fiscal year ending March 2027 to be minor. Should any matter requiring timely disclosure arise in the future, the Company will disclose it promptly.
