Notice Concerning the Termination of Lawsuit Against the Company (Waiver of Claims)

Cybozu, Inc. (the "Company") hereby announces that the lawsuit for damages filed against the Company by 株式会社ヴァーチャル・エヌ (K.K. Virtual N; literal English translation), as announced in the "Notice Concerning the Filing of a Lawsuit Against the Company" dated July 18, 2025, has been terminated due to the plaintiff's waiver of all its claims. Today, the Company was served by the court with the record stating this. Details are as follows.

1. Court and date the lawsuit was filed

(1) Court where the case was filed: Tokyo District Court

(2) Date filed: June 9, 2025

2. Overview of the person who filed the lawsuit (plaintiff)

(1) Name: 株式会社ヴァーチャル・エヌ (Corporation number: 7010001136414) (K.K. Virtual N (literal English translation))

(2) Head office location: 16-13, Koishikawa, 4-chome, Bunkyo-ku, Tokyo

(3) Job title and name of representative: Yoshiyuki Nishino, Representative Director

3. Details of lawsuit and amount claimed

(1) Nature of the lawsuit: This is a lawsuit filed against the Company claiming damages on the grounds that a Kintone feature satisfies the invention of the plaintiff's patent No. 5901483.

(2) Claim amount: 100 million yen (3.3 billion yen express partial claim) and late charges

4. Date and circumstances leading to the termination of lawsuit (waiver of claims)

(1) Date of termination: October 20, 2026

(2) Circumstances and details: The Company has appropriately handled the matter throughout the court proceedings, asserting that the Company's product Kintone does not satisfy the constituent elements of the plaintiff's patented invention (non-satisfaction), that the Company holds prior user rights based on its product predating the filing of the patent in question, and that multiple grounds for invalidation exist with respect to the subject patent, including a lack of novelty and a lack of inventive step.

On October 20, 2026, during the proceedings at the Tokyo District Court, the plaintiff waived its claims. As a result, it has been conclusively established that the plaintiff's claims against the Company are without merit before the court, thus terminating this lawsuit.

In connection with the termination of this lawsuit, there is no monetary payment by the Company to the plaintiff, nor are there any conditions attached whatsoever.

5. Future outlook

The termination of this lawsuit will have no impact on the Company's financial results and future business operations.
