Notice Regarding Receipt of an Order for Large-Scale Road Data Construction Services by a Consolidated Subsidiary

Dynamic Map Platform Arabia Limited ("DMP Arabia"), a consolidated subsidiary of Dynamic Map Platform Co., Ltd. (the "Company"), entered into a contract (the "Contract") with NAVER Innovation on October 27, 2026 for the provision of road survey and road network data construction services in the Kingdom of Saudi Arabia. The Company hereby announces the details as follows.

1. Background to the Order

The Company and its subsidiaries (collectively, the "Group") engage in the development and provision of high-precision location data in Japan, North America, Europe, the Middle East, and other regions.

DMP Arabia submitted proposals to and held discussions with NAVER Innovation regarding the Contract. Following these discussions, the parties agreed on the contract terms, and DMP Arabia entered into the Contract.

2. Summary of the Contract

(1) Contracting Party	Dynamic Map Platform Arabia Limited
(2) Customer	NAVER Innovation
(3) Description of Services	Road survey and road network data construction services in the Kingdom of Saudi Arabia
(4) Contract Value	SAR 15,913,451, excluding value-added tax (approximately JPY 670 million when converted at the MUFG Bank telegraphic transfer middle rate of JPY 42.08 per SAR as of October 27, 2026)
(5) Contract Date	October 27, 2026

(6) Contract Period	From the date of execution of the Contract until completion of the work specified in the Contract
(7) Timing of Revenue Recognition	Revenue under the Contract is expected to be recognized in the fiscal years ending March 31, 2027 and March 31, 2028, depending on the progress of the work under the Contract. The amount of revenue to be recognized in each fiscal year has not been determined at this time.

3. Overview of DMP Arabia

(1) Name	Dynamic Map Platform Arabia Limited
(2) Location	Riyadh, Kingdom of Saudi Arabia
(3) Representative	Syed Ali, General Manager
(4) Business Description	Development and provision of high-precision location data and related businesses in the Kingdom of Saudi Arabia and the Middle East
(5) Capital	SAR 50,000
(6) Date of Establishment	July 2023
(7) Relationship with the Company	DMP Arabia is a subsidiary of Dynamic Map Platform North America, Inc., a consolidated subsidiary of the Company, and is therefore a consolidated subsidiary of the Company.

4. Overview of the Customer

(1) Name	NAVER Innovation
(2) Location	Riyadh, Kingdom of Saudi Arabia
(3) Representative	Yasser Alobaidan, Chief Executive Officer
(4) Business Description	Provision of digital platforms and solutions related to smart cities, digital twins, AI, cloud, and data centers
(5) Relationship with the Company	Capital relationship: There is no capital relationship requiring disclosure between the Group and NAVER Innovation. Personnel relationship: There is no personnel relationship requiring disclosure between the Group and NAVER Innovation. Business relationship: Except for the Contract, there is no business relationship requiring disclosure between the Group and NAVER Innovation. Related-party status: NAVER Innovation is not a related party of the Company.

Note: The information in items (2) through (4) above is based on information published on NAVER Innovation's official website. Information beyond that publicly available on its official website, including its capital, date of establishment, major shareholders and shareholding ratios, and financial position and operating results for the past three fiscal years, has not been included at NAVER Innovation's request.

5. Outlook

Revenue under the Contract is expected to be recognized in the fiscal years ending March 31, 2027 and March 31, 2028, depending on the progress of the work under the Contract. The amount of revenue to be recognized in each fiscal year has not been determined at this time.

The impact of the Contract on the Group's consolidated results for the fiscal year ending March 31, 2027 is expected to be limited, and there is no change to the consolidated earnings forecast for that fiscal year at this

time. The Company will promptly disclose any revision to its earnings forecast or any other matter requiring disclosure.
